

As we enter the season of gratitude, we at Inspiring Homes Staging & Design are thankful for the opportunity to help make your client's home sale as stress-free as possible. Whether you're preparing to list a property or have clients interested in refreshing a space, we offer a range of services designed to showcase the properties full potential.

We also offer design consultations to help tailor each space according to a vision, combining functionality with aesthetic appeal. Whether selling or updating a home, *our certified team* is here to guide you through every stage of the design process. With carefully curated furniture, decor, and personalized touches, we ensure your home looks its best.

Our Services Include:

- **Vacant Home Staging: Transforming empty spaces into warm, inviting homes that capture buyers' hearts.**
- **Occupied Home Staging: Working with your existing furnishings to enhance each room's appeal.**
- **Design Services: Offering Personalized Design Services to help create beautiful, cohesive spaces.**

COMING SOON

We are excited to soon be offering E-Design, which is a virtual interior design service that allows us to work remotely with clients to help create beautiful interior spaces without the limitations of location. It is typically a more affordable, simpler and laid back process, with quicker turnaround times than traditional interior design.
