

As we embrace this season of gratitude, we want to share an update and some hosting tips for Thanksgiving to make your day extra special!

A Grateful Update

This summer brought a big change as IHSD owner, Michele, relocated to Louisiana to be closer to family. While this move was a personal blessing, we're thrilled to share that **Inspiring Homes Staging & Design** continues to thrive with our dedicated team serving all your home staging and interior design needs.

We're incredibly thankful for our business partners who trust us to bring their properties to life. Michele will return to the Space Coast for a few weeks to kick off the New Year, and we're excited to offer opportunities to connect, including:

- **Office Lunch & Learns**
- **3-Hour CE Classes: "Staging to Sell – What Every Agent Should Know"**
- **Networking Events**

If you're interested in hosting or attending any of these, please reach out directly to reserve your spot!

Thanksgiving Hosting Tips

Create a Cozy Atmosphere: Add fall-inspired accents like candles, pumpkins, or natural foliage to make your space warm and inviting.

Make Room for Guests: Rearrange furniture for better flow and use versatile seating like benches or ottomans.

Plan Ahead: Use labeled serving dishes for a seamless buffet setup and consider a designated drink station to keep things organized.

Set the Tone: A playlist with soft music creates the perfect background ambiance.

We're Thankful for You

Your continued support and trust mean the world to us. As we wrap up the year, we're looking forward to helping you make every space truly inspiring.

Warm wishes for a joyful Thanksgiving,
The Inspiring Homes Staging & Design Team
